

Goodmornig,

My name is Judy Boler,

I am a resident of Stockton, CA. I would like to address the men and women who are trusted with the lives of millions of people.

I would like to ask you when you are making these decision's to so called better things is it to better the lives and the over all stability of our. Earth. I am ashamed of the way our country has become so blind to the way greedy selfish people are allowed to put us all in harms way and destroy our planet. PLEASE I AM BEGGING YOU. Do your research make your decisions based on the right thing to do for all of us not the pockets of people who are greedy i have kids,grandkids family and friends i do not want to see them with sicknesses that can be prevented STOP KILLING US THANK YOU.
